ABOUT THE PRESIDENTS' ATHLETIC CONFERENCE

The Presidents' Athletic Conference (PAC) was formally organized in 1955 by Western Reserve University, John Carroll University, Case Institute of Technology, and Wayne State University.

The PAC and its membership continue its original, defining mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Currently comprised of 10 select private institutions – Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College – the PAC remains a unique organization in this day of high pressure intercollegiate athletics. With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

The PAC expanded its membership to seven members in 2005 with the addition of Thomas More, formerly a NCAA Division III independent. Saint Vincent, a former NAIA member, joined the conference in 2006 as it began its reclassification to NCAA Division III status. Another former NAIA member, Geneva, became the conference's ninth member and began league play in 2007 as it started its NCAA Division III reclassification. Chatham became the league's 10th member, also in 2007.

In 2012, the PAC Presidents' Council voted to add Carnegie Mellon University and Case Western Reserve University as affiliate members in the sport of football beginning with the 2014 season.

The PAC crowns league champions and awards all-conference honors in its 21 championship sports. Head coaches determine all-PAC squads for all team sports, while in individual sports, such as cross country and tennis, All-PAC accolades are based upon performances at the conference championships.

In addition to its 21 sponsored championship sports, the PAC partnered with the Heartland Collegiate Athletic Conference (HCAC) to create the single-sport Ohio River Lacrosse Conferences (ORLC & ORWLC) in 2014, with both kicking off league schedules during the spring of 2015.

The PAC annually awards its men's and women's All-Sports Trophies to the schools which perform best across the board in PAC competition.
